MILITARY PRODUCTS CATALOGUE

ABOUT US

P-mtc Ltd is specialised narrow fabric factory for different purposes, located in northernmost town in Croatia. Built in 1961., through continuous modernisation and education it has become merge of quality and tradition which results with fulfilling all special customer requirements.

Our main orientation is production of narrow fabrics that are used in several industries: clothing, footwear, furniture, printing, military etc. Smaller part of production are finished products like lanyard, belts, laces, shoulder straps and similar.

Production is based on more that 150 weaving, knitting, jacquard and crochet knitting machines, all from quality producers. In 2006. we have opened department for dyeing with brand new dyeing machine for continuous dyeing.

Yearly capacities are over 100 million meters of different narrow fabric products. Production is based on over 5000 m2 area.

2006. we have been ISO 9001 certificated.

We are biggest Croatian narrow fabric producer and one of the biggest in this part of Europe.
